Oftentimes the "backstage workers" are never given due credit for their untiring and devoted services. We, the staff of the 1968 Tascara, feel very grateful and honored to bring one such person into the spotlight by dedicating this volume of the Tascara to her. While serving in the capacity of secretary of Meadow School, her guidance, friendship, advice, and inspiration have touched and helped every student in some way. Because her understanding ways and her faithful service have helped to make our school days richer, we dedicate this record of our life at Meadow School to MRS. JANICE O'NEAL.

## *IN MEMORY*

In memory of Mary Frances Johnson, daughter of Mrs. Minnie Johnson and the Mr. Rufus Johnson, who suddenly passed from our midst on an October night in the fall of 1933, as the result of an automobile accident. She will long be remembered for her pleasing personality and quiet charm. Her gracious manner gained her many friends by whom she was admired and respected. She will never be forgotten by her classmates and teachers.

*HAT-CHECK GIRLS*

On May 3, 1961 the Junior Class of Meadow High School honored the Seniors at a banquet "Broadway."

Guests entered the smartly decorated lunchroom and were greeted by the hat-check girls. After a delicious meal the Junior Class president invited everyone to the gymnasium to dance to the music of the Beatles.

Good-byes were said by everyone as they walked out of the scene down the Broadway street. This night will truly be a night to remember.
